Effective Date: May 03, 2025

Applies To: All Providers, Contractors, and Staff

Purpose:

To ensure that RUSH Servicing LLC remains compliant with federal regulations by prohibiting the employment or contracting of any individual or entity excluded from participation in federally funded healthcare programs.

Policy:

RUSH will not hire or contract with any individual or entity that appears on the Office of Inspector General's List of Excluded Individuals and Entities (LEIE) or the System for Award Management (SAM) exclusion database.

- - Screening will be documented with a screenshot or verification log placed in the provider's credential file.

2. Ongoing Monthly Monitoring:

- - RUSH will re-screen active providers and staff monthly against both databases.
- - Automated screening tools (e.g., Verisys, MedCred, or Checkr add-ons) may be used for efficiency.

3. Positive Match Protocol:

- - If a match is found, the individual or entity will be immediately suspended from duties pending verification.
- - If confirmed, the individual will be terminated or disqualified from contracting with RUSH.
